FAMILY CHIROPRACTIC, LLC

## Hello LGRA & NOTRA 2021 Nationals

My name is Dr. Julie Wilkinson, I'm a Chiropractor certified in Animal Chiropractic.

I'm certified through the Animal Veterinary Chiropractic Association, licensed in South Carolina, Georgia and Ohio.

I've been traveling with the dog show world for two years this fall. It's been so amazing and I've had the honor of working with some of the top teams in the country. The vast majority of the spines I check is for proper performance and function of the body.

I travel with the All Breed Show Circuit, Agility and Coursing events. I've competed in all of these events, so I understand what it physically and mentally takes to compete for person and dog!

I look forward to working with your team and answering any questions you may have!

Adjustments: \$40 (family rates available)

Pre Event work: \$25 (extremity check/stretch)
